To Our Valued Customers,

Using the current catch phrases, 2011 was a very transparent year for many. This makes 2012 the “epic” presidential year bringing about many changes – discouraging and encouraging alike. We have seen great companies falter or fail altogether in the wake of this economy.

Our continued effort to off-set rising production costs has stretched beyond our work smarter campaign. We find ourselves making necessary cost adjustments. Oregon Hill will continue its commitment to provide our customers with the same quality gourmet products, made with exceptional fruit and ingredients, without substituting inferior ingredients or changing the portion size.

The foundation and reputation of Oregon Hill Farms is grounded through quality, purity of all-natural ingredients, and excellent rapport with our customers. Our goal is to provide a food product that is flavorful, wholesome, delicious, and can be appreciated for its quality and gourmet attributes. We cemented our purity goal this year by becoming a certified Kosher facility - allergen free, gluten free, and all-natural.

Oregon Hill will again hope to see the end of 2012 as a positive experience for everyone. To all our customers and visitors to our website, we are just a phone call away, at your service, for our customers at 1-800-243-4541 or 503-397-2791. Our office hours are Monday through Friday, 8 am – 5 pm. Email contact is info@oregonhill.com. We sincerely appreciate your shopping with Oregon Hill Farms and sincerely thank you for your business and loyalty but, most certainly, wish you all the best for a fruitful 2012.
